Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Anisodonte</i> 'El Rayo'	An upright, evergreen to semi-evergreen sub-shrub to around 1 m tall with hairy stems and hairy, lobed leaves. Saucer-shaped pink flowers 3-4cm in diameter, with darker magenta-pink to reddish centres and veins, are borne from summer into autumn and even through the winter.	4	5" & 6"	£3.00	DDT
<i>Aquilegia</i> hybrid seedlings	Little dainty flowers.	4	3.5"	£2.50	DDT
<i>Arthropodium cirratum</i>	New Zealand rock lily, a clump forming species of herbaceous perennial plant, endemic to New Zealand. The leaves are 12-24" long and 3-10 cm wide. The flower stalk bears many white six-petalled flowers, in groups of two or three, each about 0.8" across. The stamens are tricoloured - purple and white, with yellow at the curled end. Good for dry shade and can also cope with wet soil.	1	6"	£3.00	DDT
<i>Astrantia major</i> 'Lars'	Clump forming perennial, in summer produces clusters of pink-red flowers. Well drained soil in partial shade to full-sun.	1	5"	£3.00	DDT
<i>Astrantia</i> 'Dryad variegata'	Yellow and green variegated leaves with white tinged pink flowers.	1	5"	£3.00	DDT
<i>Begonia grandiflora</i> 'Alba'	Very hardy. Nice in a pot.	3	5"	£3.00	DDT
Blueberry 'Patriot'	Young bush. Plant in Ericaceous soil. Full sun or partial shade.	1	5"	£3.00	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Campsis radicans</i>	A fast-growing deciduous woody climber with pinnate leaves and bright orange or red trumpet-shaped flowers 8cm long, borne in clusters in late summer and autumn.	1	6"	£3.00	DDT
<i>Carex elata</i> 'Bowles Golden'	A brilliant sedge which is perfect for brightening up and adding interest to shaded areas. Forms nice clumps and does not seed around.	2	6"	£3.00	DDT
<i>Cenolophium denudatum</i>	A beautiful semi-evergreen, green/white flowered umbel to 1m tall with finely divided dark green leaves. Great for insects. Seedlings offered. https://www.rhs.org.uk/plants/42450/i-cenolophium-denudatum-i/details	8	9cm	£1.50	RAG
<i>Colchicum autumnale</i>	Known as the autumn crocus or 'Naked Ladies'. Leaves are dying down now and the pale purple/pink flowers emerge in Autumn. At least 8 bulbs per pot. https://www.rhs.org.uk/Plants/4190/i-Colchicum-autumnale-i/Details	7	3-4 litres	£3.00	RAG
<i>Coronilla glauca</i> 'Citrina'	A small bushy evergreen shrub with pale-lemon, pea-shaped flower clusters in rounded heads up to 15 flowers. Blooms continuously from mid-spring to early summer. 2-3' high and wide.	1	5"	£3.00	DDT
<i>Corydalis nobilis</i>	Spring flowering with creamy yellow flower and dark tip. Dormant over summer. Taller than other <i>Corydalis</i> . https://www.gardenmyths.com/favorite-plant-corydalis-nobilis/	5	9cm	£2.00	RAG
<i>Dicliptera</i> (apricot flowers)	Has grey velvety leaves and apricot flowers.	2	4"	£3.00	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Echinops sphaerocephalus</i> 'Arctic Glow'	White flowered <i>Echinops</i> which is shorter than the blue flowered form, to 1m. Seedlings offered from Jellico seed. https://www.bethchatto.co.uk/plants-for-general-conditions/echinops-sphaerocephalus-arctic-glow.htm	5	9cm	£1.00	RAG
<i>Geranium himalayense</i>	Has large violet-blue flowers and finely-cut foliage.	4	5"	£3.00	DDT
<i>Geranium x oxonianum</i> 'Elworthy Misty'	A seedling found on the Elworthy nursery. Many large, eye-catching, deep pink flowers over a long season. 18", June-November.	1	6"	£3.00	DDT
<i>Geranium</i> 'Ivan'	A spreading mound-forming perennial to about 0.5m high and 1m across. The yellow-green leaves are deeply-lobed and the flowers borne in pairs all summer are red-purple with dark veining and a very dark eye.	3	5"	£3.00	DDT
<i>Geranium</i> 'Sirak'	Makes a nice clump to around 40cm with deeply lobed leaves and light purple flowers with darker veins and a white eye produced from late spring to mid-summer. Cut back after flowering and it flowers again.	5	6"	£3.00	DDT
<i>Geranium sylvaticum</i> 'Amy Doncaster'	One of the bluest forms available, the deep blue colour contrasting with the white eye. 90cm with good clean foliage.	1	6"	£3.00	DDT
<i>Geranium</i> 'Beth Chatto'	Forms significant clumps. It has mid-green leaves and lilac-pink flowers in late spring.	2	3"	£2.50	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Geranium</i> 'Dragons Heart'	Magenta, black-centred flowers, larger than most, are borne on slender stems with deeply cut leaves June-Sept. Sun or shade. 45cm x 60cm.	2	5"	£3.00	DDT
<i>Geranium magnificum</i>	A vigorous sterile variety that sets no seed. Large bluish purple flowers over hairy leaves that take on good Autumn tints. Has a relatively short flowering period, but it is magnificent when in flower.	1	6"	£3.00	DDT
<i>Geranium nodosum</i> - seedling	The lilac-pink flowers are held clear of glossy semi-evergreen foliage. This plant will provide nectar and pollen for bees and many other types of pollinating insects. It seeds around and is considered to be the best shade-loving geranium, making ground cover even in drought conditions.	1	5"	£2.50	DDT
<i>Geranium phaeum</i> 'Shadowlight'	A new variety with multicoloured foliage. Green leaves with cream centres and purple markings which turn golden yellow and orange in autumn. Very floriferous flowering from April-June, Purple flowers. Ht 50 cm. Part shade.	2	5"	£3.00	DDT
<i>Geranium psilostemon</i>	One of the tallest hardy geraniums, with large, vivid, bright magenta flowers, each having a black eye. Upright stems to 1.2 m.	1	5"	£3.00	DDT
<i>Geranium renardii</i> 'Gracile'	A clump forming herbaceous perennial to 30cm, with handsome grey-green, lobed and finely wrinkled basal leaves. Mauve flowers 3cm in width have prominent violet veins.	1	5"	£3.00	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Geranium</i> 'Rozanne' (PBR) Buy <i>Geranium</i> 'Bill Wallis' and get 'Rozanne' free.	A vigorous spreading perennial to 60cm tall, with neat, dense, lobed foliage and bowl-shaped violet-blue flowers 5cm wide, with a white centre, opening from early summer to early autumn. Shortlisted for the Chelsea Plant of the Centenary for the decade 1993-2002, and winner of the public vote.	1	5" tall pot	£3.00	DDT
<i>Hebe salicifolia</i>	Evergreen shrub reaching 1.5-2m with fine willow like green leaves and white flowers. Prune after flowering to shape and keep to required height. https://www.rhs.org.uk/Plants/8362/Hebe-salicifolia/Details	2	3-4 litres	£3.00	RAG
<i>Hedera canariensis</i> 'Variegata'	Evergreen Ivy with very glossy variegated leaf. https://www.burncoose.co.uk/site/plants.cfm?pl_id=2109	8	11cm Square	£2.00	RAG
<i>Heuchera</i> 'Sugar Plum' (PBR). Buy <i>Geranium</i> 'Bill Wallis' and get Sugar Plum free.	Gorgeous deep plum-coloured leaves which develop a silvery sheen in winter. Sprays of pink flowers are borne on tall stems in summer. It provides nectar and pollen for bees and many other types of pollinating insects.	1	5"	£3.00	DDT
<i>Hosta</i> 'Sugar and Cream'	A medium sized plant that has large apple-green leaves, with a streaky white edge. Fragrant white flowers appear in August.	1	4"	£3.00	DDT
<i>Hosta</i> 'Mediovariegata'	Forms a sturdy mound of foliage, topped with lily-like blooms. This low-growing selection has very wavy leaves, white in the centre, streaked with green and has pale lavender flowers in July.	1	6"	£3.00	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Hosta undulata</i> var. <i>undulata</i>	Forms ovate, twisted, rich green leaves marked creamy-white in the centre, and funnel-shaped light purple flowers on stems.	1	6"	£3.00	DDT
<i>Iris</i> 'Langport Wren' Bearded Iris	Beautiful Maroon-purple flowers with coppery beard. Flowers late April into May. (2 potted up last year and flowering now but lots in garden to split if required). https://www.rhs.org.uk/plants/details%3Fplantid%3D3204	2	2 litres	£3.00	RAG
<i>Iris siberica</i>	Produces small, delicate flowers and narrow, bright green foliage. Flower petals are blue with white and yellow markings. It prefers moist soil, in full sun.	3	6"	£3.00	DDT
<i>Iris unguicularis</i>	Mauve flowers with yellow on the falls appear in winter early spring and are fragrant.	2	5"	£3.00	DDT
<i>Koelreuteria paniculata</i> - Pride of India (seedlings)	An elegant small deciduous tree, leaves pinnate, pinkish in spring, turning yellow in autumn. Small yellow flowers in conspicuous large panicles, followed by ornamental bladderly bronze fruits. 8m x 8m.	2	5"&6"	£2.50	DDT
<i>Libertia ixioides</i>	Evergreen perennial with grass-like strappy yellow-green slightly variegated leaves 30-40cm tall. White flowers in late spring-early summer. https://www.rhs.org.uk/Plants/10069/Libertia-ixioides/Details	3	1-2 litre	£2.50	RAG

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Melica uniflora</i>	Neat clumps of semi-evergreen leaves and arching stems of ivory coloured flowers and seeds from mid-spring.	7	5"	£2.50	DDT
<i>Omphalodes cappadocica</i> 'Lilac Mist'	Makes solid clumps with a few trailing stems. The soft lavender flowers are small but numerous and star shaped, borne in early spring just above the new foliage.	2	5"	£2.50	DDT
<i>Omphalodes cappadocica</i>	Clump forming evergreen perennial with sprays of white-eyed, bright blue flowers, reminiscent of forget-me-not, in spring. (7-10 cm).	1	5"	£2.50	DDT
<i>Paeonia cambessedessii</i>	Species peony to 45cm with red stems and reddish purple tinge to the leaves. Pink single flowers. These are 2 year old seedlings. https://www.rhs.org.uk/Plants/12117/Paeonia-cambessedesii/Details	2	1 litre	£3	RAG
<i>Phlox paniculata</i> 'All in One'	An erect plant with bicoloured lilac flowers with white margins from summer to early autumn. Flowers are much smaller than other paniculata phlox.	3	5"	£3.00	DDT
<i>Phlox paniculata</i> 'Prospero'	90cm tall and terminal panicles of fragrant, white-eyed, light lilac-purple flowers with pale-edged petals in early summer.	2	7"	£3.50	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Phlox paniculata</i> 'Bosvigo Pink'	Large panicles of pale pink flowers with a white centre. 120cm x 70 cm. Spotted growing in Bosvigo Gardens, Cornwall in the 1990s by HPS members Sue Ward and Jennifer Harmer and named by Jennifer Harmer after the garden.	1	5"	£3.50	DDT
<i>Plectranthus argentatus</i> - silver leaf (Tender)	An Australian native rainforest plant which has large plush-velvet leaves and dainty spires of tiny flowers in lilac calyces. It grows about 1 m tall. TENDER.	2	3"	£2.50	DDT
<i>Plectranthus argentatus</i> - variegated leaf (Tender)	As silver leaved one but has variegated leaves. TENDER.	2	3"	£2.50	DDT
<i>Podophyllum</i> 'Spotty Dotty' (PBR) Buy <i>Geranium</i> 'Bill Wallis' and get 'Spotty Dotty' free	'Spotty Dotty' is a rhizomatous, herbaceous perennial with large, umbrella-shaped leaves that have pointed lobes and are heavily-spotted with bronze, particularly in Spring. Dark red hanging narrow, bell-shaped flowers appear below the leaves in late spring or early summer.	3	7"	£4.00	DDT
<i>Peucedanum ostruthium</i> 'Daphnis'	Introduced from France. Making a spreading patch of brightly variegated leaves from which arise heads of creamy white flowers. Best given sun or part shade and a retentive soil. 60cm x 40 cm.	2	5"	£3.00	DDT
<i>Ranunculus</i> 'Flore-Pleno'	Has fully double 'button' flowers. It is less vigorous than the native species and has a more elegant growth habit.	1	4"	£3.00	DDT
<i>Ribes cockburnianus</i> White stemmed Bramble	Grown for its white stems in winter, cut down in spring to encourage new growth. https://www.rhs.org.uk/plants/16128/Rubus-cockburnianus-(F)/Details	4	9cm	£2.00	RAG

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Salvia</i> 'African Sky'	A lovely sky blue flowered <i>Salvia</i> . Over-winter cuttings or potted plant under glass. In my garden this was cut down over winter but has sprouted from the base. Good bushy plants ready to flower mid summer onwards. https://www.rhs.org.uk/Plants/317099/Salvia-African-Sky/Details	6	1 litre	£3.00	RAG
<i>Saxifraga</i> (London Pride)	Forming rosettes of evergreen leaves, bearing panicles of small pink-flushed white flowers.	3	5"	£2.00	DDT
<i>Scutellaria</i> (pale blue) seedling	Has sprays of pale blue and white flowers.	2	5"	£2.50	DDT
<i>Sphaeralcea</i> 'Newleaze Coral'	Is an upright, evergreen subshrub with oval, deeply-lobed, grey-green leaves and cup-shaped, coral flowers all through the summer. 60-90 cm.	2	4"	£2.50	DDT
<i>Stachys macrantha</i>	A clump-forming perennial with veined, wrinkled dark green leaves. Dense, erect spikes of hooded deep purplish-pink flowers from early summer to early autumn.	1	5"	£3.00	DDT
<i>Stachys macrantha</i> 'Hummela'	A low clump-forming spreading semi-evergreen perennial with basal rosettes of ovate dark green leaves and erect stems bearing dense spikes of tiny, two-lipped lavender-pink flowers in summer. 0.6 cm x 0.6 cm.	2	5"	£3.00	DDT

Name of Plant	Brief Description	Number available	Current Pot Size	Price	Sellers Initials (See below for Seller Contact Details)
<i>Symphotrichum ericoides</i> var. <i>prostratum</i> 'Snow Flurry' (previous name Aster)	It produces ground-hugging stems, much branched, to form a low sprawling cushion smothered in autumn with tiny white daisies, resembling a snow drift. Perfect for the edge of a border or in a pot.	4	5"	£3.00	DDT
<i>Teucrium x lucidrys</i>	Bushy low growing evergreen shrub with small dark green leaves and pink flowers in summer. Good on alkaline soils. https://www.rhs.org.uk/plants/44569/Teucrium-x-lucidrys/Details	2	9cm	£2.00	RAG
<i>Trifolium repens</i> 'Dragon's Blood'	Low growing creeping perennial to around 15cm tall with white and pale green variegated leaflets splashed with red in the centre and with darker green mark at the base of each leaflet. Clusters of small white flowers are borne in early summer. Good grown in a pot.	3	4"	£2.50	DDT
<i>Valeriana phu</i> 'Aurea'	Umbels of honey scented, little white flowers sit on straight stems above divided bright green leaves. In spring the leaves are a very attractive yellow.	1	6"	£3.00	DDT
<i>Verbena</i> 'La France'	Has masses of soft, mauve flowers that open for months from late spring to autumn.	6	4"&5"	£3.00	DDT
<i>Verbena hastata</i>	An upright clump-forming perennial with narrow leaves up to 15cm long. Spikes of small, violet-blue to pinkish-purple flowers are carried on tall, branched, candelabra-like stems from early summer to early autumn.	2	5"	£3.00	DDT

Instructions. To reserve a plant please contact the seller via Hampshire Hardy Plant Society. (We are unable to publish contact details on the website for data protection reasons). Please do not pay for plants until you are able to arrange a mutually convenient time to collect when Coronavirus travel restrictions are lifted. Note that the seller may not be able to provide a reserved plant if, after some time of coronavirus lockdown, plants are not in a suitable state for sale.

Notes. Plants covered by Plant Breeder's Rights (PBR) cannot be sold for commercial gain therefore are offered free with an alternative plant(s), or the buyer is requested to make a 'donation'. See specific plant details for where this applies.

Hardy Plant Society Hampshire Group and Sellers take no responsibility for incorrectly named plants or those that are not true to type, as some may be grown from open pollinated seed, but of course we do our best to get it right.

DDT – Dawn Trenchard.

RAG – Becky Getgood.

Instructions. To reserve a plant please contact the seller using the 'contact us' form on the website or email Becky Getgood who will forward your email to the seller (we are unable to publish the contact details of individuals on the public website). Please do not pay for plants until you are able to arrange a mutually convenient time to collect when Coronavirus travel restrictions are lifted. Note that the seller may not be able to provide a reserved plant if, after some time of coronavirus lockdown, plants are not in a suitable state for sale.

Notes. Plants covered by Plant Breeder's Rights (PBR) cannot be sold for commercial gain therefore are offered free with an alternative plant(s), or the buyer is requested to make a 'donation'. See specific plant details for where this applies.

Hardy Plant Society Hampshire Group and Sellers take no responsibility for incorrectly named plants or those that are not true to type, as some may be grown from open pollinated seed, but of course we do our best to get it right.

RAG – Becky Getgood (contact details for Becky are on your membership/programme card).

DDT – Dawn Trenchard.

MJL – Mark Lyman.

PKE – Patricia Elkington.
